“ Ah Kecky, so many memories, you were a loving and a dear friend to me. You were always there for me in so many ways, when Nick died you were with me for days, my parents deaths you were there for me. My Mom and Dad loved you like a son. Good times we had buddy, and I mean good times. We saw our children grow up and grandchildren, and you had great grandchildren, how blessed we were. I loved when you got your motorcycle, you enjoyed that so much. I was the first person that saw it, you came up to the house and you were so proud of it. I could go on and on. You will be missed by many, many people. I will always love and miss you. You are in a wonderful place, no more suffering. To your girls, I love all three of you. God bless and farewell to my best friend. Nancy Fragnito Betz and William Betz
