“ To papa,

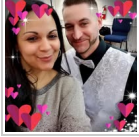

Thank you for being you, i had great pleasure to spend alot of time together taking you and mama cruz to appoinments and you to treatment but we always had fun. You talk to me about the weather, always asking me what time it was lol, and most of all trusted me and allowed me to help you when you needed it. We love you and we will miss you always. May the arms of the Lord be wrapped arpund you in great joy for the battle you fought and the victory He gave you!

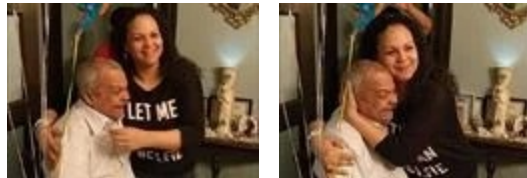

*To the family,
I cannot truely feel the fullness of the pain you all feel even in my own sorrows over rubi's passing but i promise you i will be here for you all for whatever you need. And my prayers and heart are with you all!*

*And to mama,
You are a strong woman of God and you know the victory Rubi is now in but that said i know victories sometimes hurt to. The Lord is your comforter and strength and i am here always for you mama, i love you. Thank you for always being there for me and loving me to. My prayers are forever with you and anytime you need me im there! God bless you!*
