“ I'm going to miss her too. Sharon was a creative talented member of the advancement services team at Muhlenberg. Her humor and fun-loving spirit endeared her to those of us that worked with her. I thank her for her ideas, contributions and the smiles she brought to this "close-knit" group. I admire her for her strength and grace on this journey.

“ Sharon will always be fondly remembered by me. A cherished co-worker at Muhlenberg college, Sharon was teaching me to knit - she was an excellent teacher and so generous in spirit to graciously do this. She was an avid Walking Dead fan and we loved talking about the show. It was always a pleasure to see her and I will miss her dearly.
