“ I had the privilege of working with Sherry in the Art club for many years. She always had a smile on her face and something positive to say. She always wanted to know how you were doing. My husband and I attended her wedding with Chris which was a special memory that we will treasure. May her beautiful spirit stay with us always. She will be missed.

“ Sherry was a beautiful person inside and out-- I always admired her ability to smile despite many challenges. Although I never met him personally, her great JOY was Josh and she spoke of him so often. with pure love on her face. She endured so much on this Earth, I am sure she has a great wing-span and is soaring with the Angels. Fly free, Sherry. Sue Kelsey PSL, FI azulcool@bellsouth.net

“ Oh my friend Sherry. I pray you are at peace. I fondly remember how many times we laughed together and spent time together in high school and right after. We did get in our share of trouble but always came out of it with a smile. Over the years, we didn't see one another any more, and I regret that. I hope you are smiling and moving freely now my friend. I miss you. *Patty Laury Jones*
