“ Susie had a great zest for life and blessed us with her joyful spirit. She was most generous with her love and affection like her dear mother, my Auntie Gennie. Susie always made me feel like a special little girl when she gave me little gifts for no particular reason. I still have a handmade necklace from over 30 years ago. Susie was so much fun at the lake in the Summer, and our annual Christmas Eve Celebrations. The world is less vibrant without your spirit. We will miss you always.
