“ *My mom is a resident of Gracedale and my family met Theo through her, we quickly became extended family, Theo joined us for our Tuesday family dinners for quite a while now, we enjoyed his company and his stories, his favorite request when we would ask what he wanted for dinner the next week, he always asked for homemade mashed potatoes. My whole family will miss Theo very much. So glad we got to spend the short time getting to know him. Deepest sympathy from Judy, Betty ,Ward and our mom Dottie. RIP Theo*❤️
