August 30, 2023

Timothy A. Drabick, 45, of Burlington, NJ, passed away on August 30, 2023. He was the husband of Rebecca A. (Cottrill) Drabick. They were married for 1 year in January. He worked as a Certified Orthotist. As a Certified and Licensed Orthotist for 21 years, working with physiatrists and orthopedic surgeons, Timothy was skilled in creating custom-designed braces and fitting patients with disorders of the nerves, muscles, or bones. His empathy and compassion for people and his passion for this field, proved him to be an excellent healthcare practitioner. Tim was a 1996 graduate of Parkland High School; he received his Bachelor of Science degree from York College of Pennsylvania and his Certificate in Orthotics from Northwestern University. Born in Allentown, he was the son of Stephen J. Drabick, O.D. and Rae Ann (Haas) Drabick of South Whitehall Township. A talented saxophone player and former member of the York College Jazz Ensemble, he loved attending concerts, collecting baseball and basketball cards, spending time with his grandkids and working out at the gym with his wife. He and Becky enjoyed many wonderful times together in their favorite historic town of Jim Thorpe, as well as Cape May, NJ and family vacations to OCMD. An amazing cook, Tim could always be found in his kitchen creating delicious culinary delights for his beloved family. He enjoyed gardening and helping Becky decorate for all the holidays.

We will remember Tim as a beautiful soul inside and out. His smile and laughter would light up a whole room. He cared so deeply for the people

around him and made an impact on many lives. He will be forever missed, until we meet again.

“ +Our memories of Tim and Justin include a combined trip to Ocean City, MD for a week at the shore. Our children, Megan, Kara and Sean along with the Drabick brothers, decided that they wanted to "go into town" on the bus. Tim might have been 12 years old, Megan 11, Justin and Kara, 10, and Sean was 4. We let them do it! We worried for the entire three hours they were gone. What had we done?? When they returned, safe and sound, they were so happy, laughing at all the fun they had and all the junk food they ate and Tim was beaming, because he knew he was the eldest and responsible for all five of the kids. It was a proud moment for him and a story that was retold and embellished over the past 30 years. We are blessed to have the Drabick family as our dear friends, and we treasure every vacation we shared while our children were growing into their teen years. We share your sadness at the loss of a marvelous man, and we hope that the memories of good times will live on in your hearts. Sending our love, Pat and Russ O'Neill

“ *We never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.*
