“ Sue,
Prayers to you and family! Your Mom was a lovely caring individual. I remember coming to dinner , sometime after we graduated . Your Mom had cups and saucers on the table, maybe for desert and I remember each was a different print.it was so sweet.
So sorry for your loss,
Anne Remaly

“ *Dear Sally, I have not seen you in many years, but I think of you and your family every time I drive up Rt 29 past Little Lehigh Acres. Friendships made in grade school are always treasured. I hope the friendships of those who knew you and your siblings give you comfort at this trying time. Kathryn Hvizdos Longo, Allentown*

“ *What a lovely picture of a very lovely, gracious woman. It was indeed my privilege to be her doctor for many years, as she was one of my first patients. She often spoke of her golf game and was very proud of her family. She was so thoughtful that when I had some surgeries, I always received a card from her, AND a book recommendation!! I've read a lot of good books because of her. My sincere sympathies on your great loss. But you must have so many wonderful memories, and it's my hope and prayer that those memories and God's great love for you will see you through this difficult time. She will be missed.*

Most sincerely, Judy McDonald MD
